Our mission: We preserve and promote the visions of young girls and women who may have been discouraged from pursuing their long-term goals. By providing resources, training, and support, we assist these women in developing limitless ambitions.

Dear Friends,

This has been a transformational year, with so many wonderful changes, that has led Limitless Ambition to grow deeper than in the past. One of the key changes that occurred was a major restructuring of our board with some of our long time board members moving into new roles in the organization. This change became an opportunity to welcome a new group of members, and, boy, did we get lucky! These new women brought extensive experience and knowledge that has benefited the organization in a number of ways, including the realignment of activities, and the creation/implementation of new policies and procedures.

Our organization continues to focus on helping girls and woman achieve their goals. This year, we increased the number of partnerships with other organizations, which allowed us to work with more women and girls in the community. These girls and women continue to inspire me, as I watch their passions and ambitions grow throughout our programs.

This upcoming year, we will continue to develop and grow our partnerships, but we anticipate expanding into new (and unknown!) territory for our organization that will allow us to reach more woman and girls than ever. I can't wait for this next year of adventure.

Signature Programs

Purposely Chosen Women Leadership Program

Limitless Ambition's signature program focuses on teaching women how to overcoming pressure points that may block them from building positive networks, fulfilling their purpose, and solidifying their prosperity. Using experiential learning, organizational development, and group collaboration, we help women find ways to wield their current network, resources, and tools to continue to dream, believe, and achieve without limits.

Purposely Chosen Teen Program

A program for teen girls, ages 13 – 18, that focuses on equipping them with the tools needed to become their best self! Teens explore various topics such as passion discovery, goal-setting, self-esteem, personal branding, career / academic goal-setting and civic engagement.

"What I enjoy about the program is that we don't put each other down and we help each other do better."- Castle High School Student

Program Partnerships

Together with these organizations, LA delivered programs, including Purposely Chosen, Purposely Chosen Women and a variety of workshops, to empower women and girls.

Pearls for Little Girls

In May 2017, we held our annual Pearls for Little Girls brunch to celebrate and deepen relationships between mothers and their daughters. The brunch included activities to enhace the mother-daughter bond, a yogurt bar, and photo booth backdrop (and props!). Mothers and daughters of all ages were brought together.

Ladies of Legacy

Our annual gala, Ladies of Legacy, celebrated four women, in the northeast Ohio region, that are overcoming barriers, achieving success and making an impact on their communities. This year we honored **Danielle Wright, Abby Greer, Andrea Workman-Hudson** and **Candys Mayo**. The public event celebrated these women alongside over 100 community members in May of 2017. This event also serves as a key fundraising opportunity, and the revenue generated helps support our programs.
